Police are investigating the disappearance of Ayla Reynolds, who was [reported missing from her father's Waterville home on Dec. 17](#).

The website www.aylareynolds.com said Ayla's uncle took and passed a polygraph on Thursday and that her grandmother took a test Friday but couldn't complete it because her prescription medication interfered.

Maine State Police spokesman Stephen McCausland said investigators are [not commenting on details such as polygraph tests](#).

Ayla's father, Justin DiPietro, told police his daughter wasn't in her bed when he checked on her the morning of Dec. 17. Ayla's mother, Trista Reynolds, lives in Portland.
